

# Mar Francis Saavedra

Email: marfrancissaavedra@gmail.com

IT professional with experience in website development and WebOps infrastructure. Skilled in WordPress, Drupal, and application debugging, and seeking opportunities to further develop and apply my expertise.

## Experience

March 2024

**Freelance WordPress Developer** - As a freelance WordPress developer, I build websites using Divi and create custom themes and plugins. I've also developed custom Divi modules — including an Automenu module used across multiple live sites. I ensure every project is fully responsive, accessible, and optimized for a smooth user experience.

Feb 2024 - Present

**Managed Updates Consultant (Pantheon Systems, Inc)** - As a Managed Updates Consultant, I managed site updates and handled the migration of Drupal and WordPress sites to Pantheon. This included setting up new environments and transitioning from various hosting platforms to Pantheon hosting.

August 2021 - Feb 2024

**Customer Success Engineer (Pantheon Systems, Inc)** - As a Customer Success Engineer, I assist customers through chats and tickets. My responsibilities include handling technical tasks such as SSH, CLI commands, Drush and WP CLI commands, debugging errors through site logs (e.g., 500 errors), composer troubleshooting, cache troubleshooting, etc.

Dec 2020 - June 2021

**Frontend Developer**

- Converting UI/UX designs into a functional web application.
- Responsible for ensuring the alignment of web design and user experience requirements.

## Education

2018

- 2021 University of Makati  
Bachelor of Science in Computer Science

## Skills

- Debugging application issues and implementing a workaround
- Converting UI/UX designs to a responsive website
- Resourceful and eager to learn new technologies
- Knowledgeable in Java, Javascript, REST API, GIT, Bash Scripting, Terraform, MySQL, JIRA, NPM, Composer, Angular, CMS (WordPress and Drupal), Docker, Fastly, AWS, and Cloudflare.
- Creating Custom Wordpress plugins as well as custom modules in Divi.

## Achievements
